DEPARTMENT OF FISH AND GAME
L. Ryan Broddrick, *Director*

Big Game Hunting Web Site:
www.dfg.ca.gov/licensing/hunting/hunting.html

All regulations and hunts in this booklet are as proposed by the California Department of Fish and Game. Final adoption of mammal hunting regulations by the Fish and Game Commission is set for April 25, 2007.

NONDISCRIMINATION

"Any person excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under any program of the California Department of Fish and Game, on the grounds of age, race, national origin, disability, religious or political affiliation, color, sex, ancestry, marital status or sexual orientation should contact the nearest regional office of the department or its headquarters in Sacramento, California, telephone (916) 653-4711. In addition, you may contact the U.S. Equal Employment Opportunity Commission, Washington, D.C. or a local EEOC office listed in your phone directory under U.S. Government."

Alternate communication methods are available upon request. If reasonable accommodation is needed, contact the Department of Fish and Game at (916) 653-6420 or the California Relay Service serving the deaf or hearing-impaired from TDD phones at 1-800-735-2929.

This booklet is intended to assist hunters applying for deer and other big game tags. It does not replace the California Hunting Regulations for Mammals and Furbearers. For more detailed information concerning regulations, consult the *California Hunting Regulations, Mammals and Furbearers*, available at any DFG office (see page 6 for phone numbers); online at www.fgc.ca.gov/html/regs.html; and wherever hunting licenses are sold.

This publication is partially paid for through the sale of advertising. The DFG neither endorses products or services listed nor accepts any liability arising from the use of products or services listed.

DFG Contact Information

License Sales

Hunting licenses are sold at the following DFG offices and at authorized license agents statewide. To find a license agent near you, visit the DFG Web site at:

www.dfg.ca.gov/licensing/index.html

License and Revenue Branch

1740 N. Market Blvd, Sacramento, CA 95834

Northern Region

Hunter Education Information/Classes

To find a hunter education class in your area, call one of the numbers listed below:

Northern District - (530) 225-2003

North Central District - (916) 351-0833

Central Coast District Office - (707) 944-5548

South Central District - (559) 243-4005

Southern District - (760) 947-8859

Southern District Office - (562) 799-8381

You can also take a hunter education course online! For more information, visit the DFG Web site at:

www.dfg.ca.gov/huntered/index.html

Hunting Guide Services

For a list of licensed California hunting guides, visit our Web page at:

www.dfg.ca.gov/licensing/hunting/hunting.html

California Hunting Laws and Regulations

The full text of California's hunting regulations can be found in Title 14 of the California Code of Regulations, and in the California Fish and Game Code. Both can be found on the Fish & Game Commission Web site at www.fgc.ca.gov/html/regs.html. Printed copies of the regulations are also available at DFG offices and license agents.

DFG's Sacramento License Sales Office Has Moved

DFG's License and Revenue Branch is now located at 1740 N. Market Blvd., in the North Natomas area of Sacramento. The new phone number is (916) 928-5805.

Directions from I-5: Exit at Arena Blvd; travel east, toward Arco Arena, approximately 1.5 miles. Arena Blvd. becomes N. Market Blvd. Turn right into the parking lot.

What's New This Year

New Elk Hunts, Changes in Hunt Periods

The DFG has proposed the following new elk hunts:

- Northwestern California Roosevelt Elk Hunt (10 either-sex tags)
- San Luis Reservoir Tule Elk Hunt (2 either-sex tags)
- Cache Creek Junior Hunt (1 bull tag)

The DFG has also proposed new hunts and boundary changes in the Owens Valley to expand tule elk hunting opportunities. The boundary changes would apply to the Independence, Lone Pine, and West Tinemaha zones. Two new hunt periods would be added, as well as new Muzzle-loader Only and Junior hunts. Other boundary changes are also proposed for the Big Lagoon Roosevelt elk hunt and the La Panza tule elk hunt.

New Opportunities For Out-Of-State Hunters

Beginning this year, the DFG is proposing that nonresident California hunters be eligible to apply for a portion of the available elk and antelope tags.

Proposed Change in Zone C Application Procedure

Second-Deer Tag Applications can no longer be used to apply for Zone C hunts. (Only First-Deer Tag Applications can be used to apply for C zones.)

New Publication For Hunters

The DFG's popular hunting publications—*Tracks*, *Wing Beat News*, and *Big Game Hunting*—have been merged and expanded to provide you with even more information about where to hunt in California. The *California Hunting Digest*, as it's now called, is still published quarterly, and is still free to hunters (and mailed to subscribers).

If you previously subscribed to *Tracks* or *Wing Beat News*, your subscription has automatically been transferred to the *California Hunting Digest* mailing list. If you are not already a subscriber, you can sign up by providing your mailing address by phone, fax or email:

Phone: (916) 653-6420
Fax: (916) 653-1856
Email: publications@dfg.ca.gov

California's Hunting License Turns 100!

Established by the California Legislature in 1907, the California Hunting License is the oldest hunting license in the country. The issuance of the 2007 license will mark the 100th birthday of the California Hunting License.

To commemorate the occasion, the license features a "retro" design that incorporates images by watercolor artist K.E. Pack. The special Centennial License goes on sale in early May at DFG offices and license agents statewide.

Hunting License Information

Requirements to Obtain a Hunting License

Anyone applying for a hunting license must provide evidence that they meet hunter education requirements. Applicants must present **one** of the following as evidence of hunter education when applying for a California hunting license:

- An annual California hunting license issued in any prior year;
- A two-day nonresident California hunting license issued after the 1999/2000 license year;
- A written declaration which states that the applicant had a California hunting license in any prior year, but that license is now lost or destroyed;
- A California certificate of hunter education completion or equivalency with a California hunter education validation stamp (see Hunter Education Program, page 9);
- A certificate of successful completion of a California-approved hunter education course from any state or province; or
- A current hunting license or a hunting license issued in either of the two previous years from any state or province.

Validation of Licenses

To be valid, every California hunting license shall be signed by the licensee, and the license shall show the date of issue. In addition, the license shall contain the following information about the applicant: true name, residence address, date of birth, height, weight, color of eyes, color of hair, and sex.

License Provisions

A California hunting license is required for taking any bird or mammal. Hunters must carry licenses and be prepared to show them on request to any peace officer. Guns and other equipment used in hunting must be shown on request. A trapping license is required to sell furs of furbearing mammals and nongame mammals, regardless of the method of take.

Refund Policy

Hunting license fees are nonrefundable. Tag/application fees are nonrefundable unless stated otherwise. Refunds will not be issued for emergency area closures due to fire, weather or any other conditions.

The purchase of hunting licenses and tags is an investment in the continued existence of California's hunting heritage. Funds raised from the sale of these items are used to conduct surveys and research, perform habitat maintenance and improvement projects, and meet the administrative requirements necessary to conduct all hunting seasons. Any reduction in this funding impacts the DFG's ability to perform these duties.

Duplicate Hunting Licenses

California hunting licenses come with an Application For Duplicate. If you lose your hunting license, you must turn in your Application For Duplicate at a license agent or DFG office to obtain a duplicate.

Keep your Application For Duplicate in a safe place! If you lose your license and your Application For Duplicate, you must pay the full fee to replace your license.

Disabled Veteran Hunting Licenses

If you are a disabled veteran, you may be eligible for a reduced-fee hunting license, available only at DFG offices. To qualify for this license, you must submit **both** of the following:

- a letter from the Veterans Administration verifying that you have a 50 percent or greater service connected disability and were honorably discharged from the United States armed forces; and
- evidence of meeting California hunter education requirements.

If you are renewing this license, you may submit a previously issued disabled veteran hunting license as proof of eligibility. Hunting tags and species stamps must be purchased at full fee.

Hunting Licenses and Tag Fees

Includes 5% license agent handling fee and \$3.50 nonrefundable processing fee for deer and bear tag applications. License Year runs July 1, 2007–June 30, 2008.

Hunting Licenses

Resident, age 16 and over	\$ 37.30
Nonresident	129.40
Junior (resident/nonresident), under age 16	9.70

Bighorn Sheep	7.50	

**Available from DFG offices only.*

Looking for a license agent in your area? Visit our Web site at www.dfg.ca.gov/licensing/index.html.

Hunting License Information

Permit for Disabled Archers

The Disabled Archer Permit is valid for one year, from July 1 through June 30, and requires certification from a licensed physician that the hunter cannot hold a bow in the firing position. If the language from the physician indicates that the hunter's disability is permanent the hunter will be able to provide a copy of their previously issued Disabled Archer Permit to obtain a new permit rather than obtaining certification from a licensed physician again. Contact your nearest DFG office for an application.

Hunter Survey

License sales agents are being asked to capture the name, driver license or identification number, date of birth, and address, of one hunter per hunting license book. Licensee information will be provided to DFG biologists to conduct

surveys. This information is critical to allow the DFG to more accurately estimate hunter effort and harvest rates. Hunter participation is voluntary and providing the driver license or identification number is optional; however, it will help expedite the data entry process.

If you would like more information regarding the hunter surveys, please contact Tom Blankinship of the DFG's Wildlife Branch at (916) 445-3615 or via email at tblankin@dfg.ca.gov.

Harvest Information Program (HIP) Stamp Requirement

If you plan to hunt migratory game birds in 2007/2008 (ducks, geese, coots, dove, band-tailed pigeon, snipe, gallinules or black brant) you must complete a Harvest Information Program (HIP) survey and affix a **free** HIP Stamp to

your California Hunting License. HIP surveys and stamps are available at license agents. Hunters may be cited for hunting migratory game birds without a HIP stamp affixed to their license.

License Privileges Can Be Revoked

The Fish and Game Code provides that the Fish and Game Commission shall revoke the hunting privileges of any person who is convicted of three violations of the state's hunting laws or regulations within any five-year period. FGC 12155, T-14 745.5.

Hunter Education Program

Hunter Education Classes

There are no age restrictions for hunter education classes but most instructors set a minimum age requirement of 10 years of age. Classes include at least 10 hours of instruction in a wide range of topics, such as hunting ethics, wildlife conservation and management, safe firearms handling, first aid, survival, wildlife identification, and care of game. There is a minimal fee to cover the instructor's out-of-pocket expenses. For information on upcoming classes, see page 6 or visit the DFG's web site at:

www.dfg.ca.gov/huntered/index.html

You can also take a hunter education course online! For more information, visit the DFG Web site at:

www.dfg.ca.gov/huntered/index.html

Hunter Education Equivalency Exams

Hunter education equivalency exams are given by appointment at DFG regional offices for a fee of \$42.50. (California equivalency certificates may not be accepted as evidence of hunter education in some states.)

Duplicate Hunter Education Certificates

Duplicate hunter education certificates can be issued to any person who completed and passed a hunter education class after 1989. The DFG does not have records before this date. If the class was completed prior to 1989, the hunter should contact the original instructor,

club, or organization where the course was taught to obtain a duplicate. If the hunter is unable to obtain a duplicate through these means, they will have to repeat the course. The fee for a duplicate certificate is \$4.75, plus \$3.50 for a hunter education validation stamp. Contact your nearest DFG office for additional information.

Archery Training

The DFG recommends participation in the National Bowhunter Education Foundation's archery training course for all persons using archery equipment. Please contact your nearest DFG regional office or www.nbef.org for information on class availability.

Issues of Concern

Protect Our Deer & Elk

Chronic Wasting Disease, a fatal disease that affects deer and elk, has been detected in wild herds in 11 states and two Canadian provinces. To prevent the introduction of Chronic Wasting Disease into California, the DFG has imposed tight restrictions on the importation of hunter-harvested deer and elk into California.

"No Brain, No Backbone"

When returning home with deer and elk harvested out of state, hunters must follow California's strict regulations to avoid bringing CWD into our state. The California regulations can be summarized in one phrase: "No brain, no backbone."

Follow Other States' CWD Regulations

If you will be hunting out of state in a known CWD endemic area, you should receive information at the time you receive your hunting tag(s) regarding disposal of the carcass remains and mandatory or voluntary CWD testing.

Use Caution When Handling Game

- Wear rubber gloves when field dressing carcasses;
- Bone out meat from the animal;
- Minimize the handling of brain and spinal cord, eyes, spleen, and lymph nodes and avoid consuming these tissues;
- Wash hands and instruments thoroughly after field dressing is completed.

Elk with Chronic Wasting Disease. Photo by Dr. Terry Kreeger, Wyoming Game and Fish Department.

Do You Hunt In Another State?

If you do, you must declare any legally taken and possessed game or fish brought back into California. For instructions and a printable copy of the Declaration For Entry form go the following Web address:

www.fgc.ca.gov/html/declaration.html

California Code of Regulations, Title 14, Section 712

"No hunter harvested deer or elk (*cervid*) carcass or parts of cervid carcass shall be imported into the State, except for the following body parts:

- boned-out meat and commercially processed cuts of meat.
- portions of meat with no part of the spinal column or head attached.
- hides with no heads attached.
- clean skull plates (no meat or tissue attached) with antlers attached.
- antlers with no meat or tissue attached.
- finished taxidermy heads.
- upper canine teeth (buglers, whistlers, ivories)."

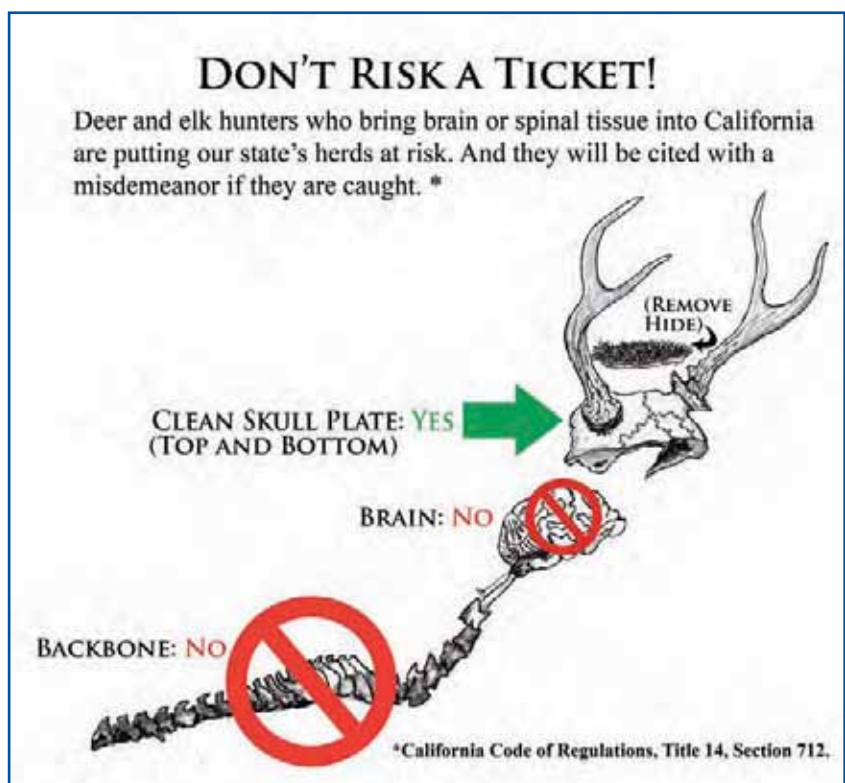

Illustration by Warden Rick Fischer.

Issues of Concern

Get the Lead Out of Condor Range

If you hunt in California condor range, you are being asked to get the lead out. Following reports that lead ammunition is contributing to the high lead levels documented in some wild condors, the DFG and other conservation groups are asking hunters in condor range (parts of the counties of Tulare, Kern, Los Angeles, Ventura, Santa Barbara, San Luis Obispo, Monterey, and San Benito) to remove lead from the area by following a few simple steps:

- Retrieve all killed animals (including coyotes and small game) from the field, or
- Hide carcasses or gut piles by burying them, covering them with brush or rocks, or placing them in an inaccessible area, or
- Remove bullets and surrounding impacted flesh when leaving carcasses or gut piles in the field, or
- Use lead-free ammunition, in which case none of the above is needed.

Brown shading, above, depicts the range of the endangered California condor.

Free Hunting Guides Available

For detailed information about hunting in California, the DFG has a number of free publications, available at DFG offices statewide. They can also be downloaded from the DFG Web site at: www.dfg.ca.gov. Click on the "Publications" link.

All DFG publications can be mailed to your home upon request. Call (916) 653-2225, fax (916) 653-1856, or email your request to publications@dfg.ca.gov. Be sure to include your mailing address.

Select from:

- FREE** Guide to Hunting Deer in California (87 pages)
- FREE** Guide to Hunting Wild Pigs in California (41 pages)
- FREE** Guide to Hunting Quail in California (99 pages)
- FREE** Guide to Hunting Turkeys in California (40 pages)

About the Big Game Drawing

General Information

All premium deer hunt tags and elk, antelope and sheep tags are distributed through the DFG Big Game Drawing.

Under a Modified Preference Point System drawing, tag quotas for each hunt are split into two portions: one portion awarded by preference point drawings; the other portion awarded in draw-by-choice drawings. Quota splits vary, depending on the species, total number of available tags, or other special criteria (such as those for junior hunts).

Instructions for completing Elk, Antelope and Sheep applications can be found on page 35, and deer tag application instructions begin on page 13.

All Big Game Tag Applications for the annual Big Game Drawing must be **received** at the DFG's License and Revenue Branch, in Sacramento by 5:00 p.m. on June 4, 2007.

How the Deer Drawings Work

- The DFG will run the draw within 10 business days of the application deadline.
- After the application deadline, when all applicant information has been entered, the computer assigns each person (or party) a unique random number.
- Just prior to the drawing, the computer sorts all applications according to first tag choice, preference point totals and random number.
- The computer begins awarding first tag choices to applicants with the most preference points, in random order (starting with lowest number), until all applications have been processed.
- After the preference point round is completed, unsuccessful applications are resorted by random number (starting with the lowest number), and the computer begins awarding tags based on applicant's first-choice without consideration of accumulated points, until all draw-by-choice quotas fill or all applications have been processed.
- All remaining unsuccessful applications are then sorted by second tag choice and the computer conducts a second round of drawings for any zones and hunts with tags remaining without consideration of accumulated points.

- If tags remain after second tag choices have been processed, applications are sorted once again by third tag choice, in random number order (starting with the lowest number) and any remaining tags are awarded without consideration of accumulated points.

- Applications not drawn in the third round are submitted for refund or hunters are notified of available tags so they may reapply.

Drawing Results

Deer tags and unsuccessful drawing notices will be mailed to drawing participants as soon as possible after the drawing. Beginning June 25, 2007, draw results will be available by phone during regular business hours from DFG license sales offices. On that date applicants may also look up draw results on the DFG's Web site at:

www.dfg.ca.gov/licensing/hunting/hunting.html

Notifying Successful Applicants

After notices are mailed to unsuccessful applicants, deer tags are sent to successful applicants in order of season

openings. Successful applicants should receive their tags by July 2, 2007. If you do not receive your tag by this date please contact your nearest DFG office.

Notifying Unsuccessful Applicants

After the drawings, notices will be mailed to unsuccessful drawing participants who did not check the refund box on their original applications. These applicants should receive a notice by July 2, 2007 that lists zones and available hunts as of that date. Applicants must wait for their drawing notices to reapply for available tags. If you are unsuccessful and checked the refund box when you applied, you will be notified by mail and your application will be automatically submitted for a refund. Allow 12-16 weeks to receive your refund.

Do not discard your drawing notice as it takes the place of your original deer tag application and must be used to reapply for available tags (either individually or as a party), or to request a refund of your deer tag application fee. Unsuccessful applicants who do not receive their drawing notice by July 2, 2007, should contact any DFG license sales office.

Deer Tag Quota Splits

These quota splits are set by the Fish and Game Commission based on DFG proposals and public input. Please check the Commission's Web site at www.fgc.ca.gov for information on how to play a role in the regulation-setting process.

Premium Deer Tags (Excluding Junior Deer Tags)

- Ninety percent (90%) of the individual zone or hunt tag quota shall be awarded using a Preference Point drawing.
- Ten percent (10%) of the individual zone or hunt tag quota shall be awarded using a Draw-by-Choice drawing.
- For zones or hunts with quotas less than ten (10) tags, one (1) tag shall be awarded using a Draw-by-Choice drawing.

Junior Deer Tags

- Fifty percent (50%) of the hunt tag quota shall be awarded through a Preference Point drawing.
- Fifty percent (50%) of the hunt tag quota shall be awarded through a Draw-By-Choice drawing.

General Deer Tag Information

**Big Game
Drawing Deadline:
June 4, 2007**

General Deer Tag Information

In addition to a California hunting license, deer tags are also required and must be in possession when taking deer. Applicants for deer tags must be at least 12 years of age on or before July 1 of the license year for which they are applying or at the time of application if they are applying after July 1.

First-Deer and Second-Deer Tag Applications are available at license agents and DFG license sales offices. To find an authorized license agent in your area visit our Web site at:

www.dfg.ca.gov/licensing/index.html

Only a First-Deer Tag Application may be used to apply for the Big Game Drawing except that junior hunters may apply for junior hunts on their Second-Deer Tag Application.

You must purchase a First-Deer Tag Application before purchasing a Second-Deer Tag Application.

It is illegal to submit more than one First-Deer Tag Application and one Second-Deer Tag Application in the same license year. Persons convicted of a deer violation during the 2006/2007 license year may not apply for deer tags in 2007/2008.

Deer Tag Exchanges

You may exchange an A, B, C, or D zone tag or an Archery-Only tag if all of the following conditions are met:

1. The earliest season (either archery or general) for the tag being exchanged has not yet opened;
2. Tags are still available for the zone or hunt requested; and
3. Payment of a nonrefundable \$8.00 exchange tag processing fee is received.

If you think you were issued the incorrect tag, immediately return it to the DFG office that issued your tag with a written explanation and include the postmarked envelope in which you received the tag (if the tag was issued by mail). The DFG will verify which tag you requested. If it is determined that the DFG issued you the incorrect tag you will not be required to pay the exchange fee. However, if it is determined that the DFG issued you the tag that you requested you will be required to pay the exchange fee.

You may not exchange an X zone, Additional Hunt or Area-Specific Archery Hunt tag.

Lost or Destroyed Deer Tags

To replace a lost or destroyed tag, you must file an affidavit with any DFG office and pay a nonrefundable duplicate tag fee of \$8.00.

Deer Tag Refund Policy

License agent handling fees and application processing fees are nonrefundable. Once you request a refund of your First-Deer Tag Application or Second-Deer Tag Application fee, you may not buy another application of the same type during the 2007/2008 license year.

Refunds may be issued for **unused deer tag applications or tags as defined below**. Refunds will not be issued for emergency area closures due to fire, weather or any other conditions.

Deer Tag Applications

You may request a refund for an unused First-Deer Tag Application, Second-Deer Tag Application or unsuccessful drawing notice. The deadline for requesting a refund is Jan. 31, 2008. If you checked the refund box on your deer

tag application and are unsuccessful in receiving any of your tag choices, you will automatically receive a refund of your application fee. Please allow 12-16 weeks for processing your refund.

Deer Tags

Deer tags for premium deer hunts (X zones, Additional Hunts, and Area-Specific Archery Hunts) are nonrefundable. Refunds for unused deer tags for zones A, B, C, D, AO#1, and AO#2, may only be requested prior to the opening of the archery season or the earliest season for which the tag is valid.

Suggestions for Applying for Deer Tags

- Junior hunters may not apply for Junior Hunts on more than one deer tag application. However, it is recommended that junior hunters wishing to apply for a D zone or premium deer hunt (excluding Junior Hunts) use their First-Deer Tag Application for this purpose, and their Second-Deer Tag Application to apply for junior hunts.
- If you want a tag for D6, D7, D12, or D17, use your First-Deer Tag Application. In 2006, tag quotas for D7, D12 and D17 filled before Aug. 2 and were not available on Second-Deer Tag Applications. Very few D6 tags were available on Aug. 2, 2006. The DFG received 1,817 applications for D6 on Second-Deer Tag Applications and performed a manual drawing for the 232 available tags.
- Consulting the 2006 Deer Tag Drawing Statistics on pages 20-21 can help you develop your point strategy for the premium deer tag drawing.
- Second-Deer Tag Applications can no longer be used to apply for Zone C hunts. (Only First-Deer Tag Applications can be used to apply for X and C zones.)

Brian Boek of San Diego harvested this buck in Zone D6.

First-Deer Tag Applications

First-Deer Tag Applications

A First-Deer Tag Application may be used to apply for the following hunts:

Premium Deer Tags

Tags are issued through the Big Game Drawing for X zones, Additional Hunts and Area-Specific Archery Hunts. To apply for a premium deer tag issued through the Big Game Drawing, applicants must use a First-Deer Tag Application; except for junior hunters (see below).

X Zone Tags: These tags allow hunting during the general season only, in a specific zone using a muzzleloading or centerfire rifle, shotgun, authorized pistol or revolver, crossbow or bow.

Additional Hunt Deer Tags: Additional deer hunts offer antlerless, either-sex and buck hunting opportunities in a variety of locations throughout the state. They include junior deer hunts, military lands hunts, and special equipment hunts.

Junior Deer Hunts: Applicants must be at least 12 years of age on or before July 1 of the license year for which they are applying or at the time of application if they are applying after July 1, and must possess a 2007/2008 California junior hunting license. Eligible junior license holders may use either a First-Deer or Second-Deer Tag Application to apply for junior deer hunts; however only one application may be submitted for junior hunts. (See pages 24-25 for junior deer hunts.) Juniors receiving tags must be accompanied by an adult 18 years of age or older while hunting.

CalTIP

stands for "Californians
Turn In

Poachers and Polluters."

To report a violation, call:

1-888-DFG CAL-TIP

24 hours a day, 7 days a week.

Military Lands Hunts: Additional hunts G8, G9 and J10 are held on military installations and offer limited numbers of tags for the public and military personnel. Public tags are issued through the DFG's Big Game Drawing. Military personnel must submit deer tag applications directly to the base. Additional Hunts G7 (Beale Air Force Base Either-Sex Hunt), G10 (Camp Pendleton Air Force Base Either-Sex Hunt), and G11 (Vandenberg Air Force Base Either-Sex Hunt) are for military personnel only.

Area-Specific Archery Hunts: These tags allow archery hunting in designated areas throughout the state, including X zones.

Deer Tags Issued On Request

Deer tags are issued on request for A, B, C and D zones until tag quotas fill. You may apply by mail or in person at any DFG license sales office.

• **A, B, and D Zone Deer Tags:** These tags allow hunting during the archery season with archery equipment and during the general season with a muzzleloading or centerfire rifle, shotgun, authorized pistol or revolver, crossbow or bow. Tags are valid for a specific zone except:

- B zone tag is valid in all B zones;
- D3-5 tag is valid in zones D3, D4 and D5; and
- D11, D13 or D15 tag may be used in any of these three zones.

• **C Zone Deer Tags:** These tags are valid in zones C1, C2, C3 and C4 during the **general season only**. To hunt with archery equipment during the archery season in any C zone you must apply for an A1 Area-Specific Archery Hunt tag.

• **Archery-Only #1 (AO#1) Deer Tags:** These tags allow hunting with archery equipment during the archery and general seasons in A, B, or D zones.

An AO#1 tag may be used by military personnel only for Additional Hunt G10. (To hunt during an X zone archery season, you must have an Area-Specific Archery Hunt tag.) You may not possess a rifle, pistol, revolver or crossbow when hunting with an Archery-Only deer tag except as otherwise provided.

Leftover Draw Tags Issued Beginning July 2, 2007

Persons with First-Deer Tag Applications or unsuccessful drawing notices may apply for leftover drawing tags. You must submit your application to the License and Revenue Branch in Sacramento before July 2, 2007, to be included in any additional drawings that may be required. *(If the number of applications received by 5:00 p.m., July 2, 2007 exceeds the number of tags available for a specific zone or hunt, a drawing may be held.)*

Any X zone or Additional Hunt tags remaining after the drawing will be issued on request by mail and in person from the DFG's License and Revenue Branch only.

Any Area-Specific Archery Hunt tags remaining after the drawing will be issued on request to any first or second-deer tag application or unsuccessful drawing notice by mail and in person from the DFG's License and Revenue Branch only; with the exception of A1 (Archery buck in the C zones) also available at the Redding office and A22 (San Diego Archery Either-Sex), A31 (Los Angeles Archery Either-Sex) and A32 (Ventura/Los Angeles Archery Late Season Either-Sex) also available at the Los Alamitos and San Diego offices.

Preference Point Only

Applicants who want to earn a preference point for deer but do not want to apply for a premium deer tag must:

1. Purchase a 2007/2008 California hunting license;
2. Purchase a First-Deer Tag Application;
3. Complete the application and write the point code "PD" in the first choice box on the application; and
4. Mail your application to the DFG's License and Revenue Branch. The application must be **received** by 5:00 p.m., June 4, 2007.

In addition to requesting a preference point, you may also use your application to apply for a premium tag or tag issued on request as your second and third tag choices.

Second-Deer Tag Applications

Second-Deer Tag Applications

After purchasing a First-Deer Tag Application, applicants may purchase a Second-Deer Tag Application to apply for the following:

Junior Deer Hunt Tags

Junior applicants who use their First-Deer Tag Application to apply for other tags, may use their Second-Deer Tag Application to apply for junior deer hunts through the Big Game Drawing.

Junior hunters may only submit **one** application for junior deer hunts, either a First-Deer Tag Application **or** a Second-Deer Tag Application.

Deer Tags Issued on Request

The following tags are issued immediately upon request until tag quotas fill. You may apply in person or by mail at any DFG license sales office.

- *A Zone and B Zone Deer Tags:* These tags allow hunting during the archery

season with archery equipment and during the general season with a muzzle-loading or centerfire rifle, shotgun, authorized pistol or revolver, crossbow or bow except as otherwise provided.

- *Archery-Only #2 (AO#2) Deer Tag:* These tags allow hunting with archery equipment during the archery and general seasons in A, B, or D zones.

An AO#2 tag may be used by military personnel for Additional Hunt G10. (To hunt during an X zone archery season, you must have an Area-Specific Archery Hunt tag.) You may not possess any rifle, shotgun, pistol, revolver or crossbow when hunting with an Archery-Only deer tag, unless otherwise specified.

Leftover Draw Tags Issued Beginning July 2, 2007

- *Any Area-Specific Archery Hunt Tag Remaining After the Drawing:* Tags for these hunts allow archery hunting in designated areas throughout the state, including hunts within X zones.

Tags Issued

Beginning August 2, 2007

- *D Zone Deer Tags:* These tags allow hunting during the archery season with archery equipment and during the general season with a muzzleloading or centerfire rifle, shotgun, authorized pistol or revolver, crossbow or bow except as otherwise provided. Tags are valid for a specific zone except:

- D3-5 tag is valid in zones D3, D4 and D5; and

- D11, D13 or D15 tag may be used in any of these three zones.

- *Any Leftover Additional Hunt Tags:* Additional deer hunts include antlerless, either-sex and buck hunting opportunities in a variety of locations throughout the state. They also include junior, military lands, and special equipment hunts.

On Aug. 2, 2007, Second-Deer Tags for D zones will be issued at DFG offices upon request until quotas fill. Second-Deer Tags for unfilled Additional Hunts are issued only at the DFG's License and Revenue Branch. To receive any D zone or leftover Additional Hunt tag before Aug. 2, 2007, you must use a First-Deer Tag Application.

Ron Redding, Jr. of Coalinga harvested this atypical 4x8 buck during opening weekend of the D7 archery season.

Important Things to Consider Regarding Second-Deer Tag Applications

- Second-Deer Tag Applications **cannot** be used to apply for C zone or any X zone Tags.
- If the DFG has received more applications than available tags for any zone or hunt, a drawing may be held. To be included in any drawing, submit your Second-Deer Tag Application in advance to the DFG's License and Revenue Branch in Sacramento.

Filling Out Your Deer Tag Application

Completing Your Deer Tag Application

When filling out your deer tag application, follow these steps:

1. Purchase a deer tag application from a DFG office or license agent.
2. **Write your 2007/2008 California hunting license number** in the space provided.
3. If you applied for last year's big game drawing, you may have received hunter identification labels in the mail. If so, **affix** the hunter identification labels on the application. If not, **print** all required information, including your permanent hunter identification number (driver's license or DMV identification number) and your date of birth.
4. Clearly print the **Hunt Code** for each choice, in order of preference, on your deer tag application (see pages 22-26). For Area-Specific Archery Hunts, use the hunt code (such as A6), not the zone where the hunt is located.
5. Mail your application to:
Department of Fish and Game
License and Revenue Branch
P.O. Box 349020
Sacramento CA 95834-9020
6. Make sure your application is **received** (not postmarked) by the **drawing deadline of 5:00 p.m., June 4, 2007**. Late applications will not be entered into the drawing and applicant will not earn a preference point.

Clinton Erwin, Mike Erwin, Steve Hill, and Bradley Hill after a successful J12 hunt.

Applying as a Party

Up to six (6) people may apply together by submitting their deer tag applications (or unsuccessful drawing notices) together, as specified below.

You must meet **all** of the following conditions to be considered a party:

1. All party members must make the same tag choices in the same order on their applications;
2. Each party member's application must show the party leader's name and driver's license, DMV identification, or DFG identification number;
3. The party size must not exceed the maximum of six (6) persons; and
4. All party members' applications must be mailed in **one** envelope with the party leader's application on top and stapled together. (Party members are awarded tags according to choices listed on the top application.)

You may not add or drop party members once your applications are submitted.

The preference point value for party applications entered in the Big Game Drawing is determined by averaging all party members' points (total preference points of the party divided by the number of party members). Preference point averages are not rounded up or down.

Please Check Your Application Carefully!

You may not make changes to your application once it is received by the DFG.

The information you provide on your application is used to track your preference points for current and future drawings.

Incomplete, incorrect, ineligible or late applications may prevent you from receiving a deer tag for the 2007/2008 hunting season and earning a preference point for the 2007 season.

Late applications will not be entered into the drawing and applicant will not earn a preference point.

Top Reasons Why Deer Tag Applications Are Rejected From the Drawing

1. Applications received after the deadline.
2. Invalid zone or hunt code entered on applications.
3. Zone or hunt code not entered on applications.
4. Incorrect application used to apply for the drawing (Second-Deer Tag Application).
5. Applicant is too young to apply.

2006 Deer Harvest by Antler Class

The following table shows the percentage by antler class of forked horn or better bucks and the total reported buck harvest for zones and hunts as of Feb. 9, 2007.

Zone/Hunt	2 Point Bucks	3 Point Bucks	4 Point Bucks	4+ Point Bucks	Total Buck Harvest	Zone/Hunt	2 Point Bucks	3 Point Bucks	4 Point Bucks	4+ Point Bucks	Total Buck Harvest

Private Lands Hunts

Landowners throughout the state offer hunting opportunities for big game species such as deer, antelope and elk under the DFG's Private Lands Wildlife Habitat Enhancement and Management (PLM) Program. Under the program, the Commission may authorize limited numbers of tags for certain species to landowners who agree to protect and improve valuable wildlife habitat in conformance with the DFG's management plans for those species.

Landowners may offset their costs for habitat work on their property by charging licensed hunters access and service fees. To ensure that no California hunter takes more than two deer in any license year, hunters must turn in a DFG deer tag application, unsuccessful draw notice or unfilled deer tag to obtain a PLM deer tag. For a list of participating landowners, contact DFG's Wildlife Branch in Sacramento at (916) 445-3564 or visit our web site at:

www.dfg.ca.gov/hunting/deer/plm.html

Facts about the PLM Program

- There are currently 90 PLM properties.
- The program encompasses 895,640 acres of wildlife habitat.
- California has about 101 million acres of land, about half of which is privately owned.
- The largest PLM property is 270,000 acres; the smallest property is 340 acres.
- The average PLM size is about 10,627 acres; half have fewer than 5,660 acres.
- Many wildlife species benefit, including deer, elk, pronghorn antelope, wild turkey, quail and waterfowl, as well as threatened and endangered species like the bald eagle and red-legged frog.
- The program began in 1979 as a three-year pilot program with five ranches in five counties. In 1983, the California Legislature voted to make it a long term program.
- Participation in the program requires the submission and acceptance of a sound management plan. PLM areas are licensed for five-year periods; annual reviews ensure that agreed-upon habitat improvements have been made.
- Many PLM properties offer expanded hunting season dates and/or bag limits. Wherever possible, "parity hunts" with similar season dates are offered for people hunting on public lands adjacent to these properties.
- Wildlife do not recognize property boundaries between public and private lands, so improvements to a PLM property can benefit adjacent public land as well.

Fund-Raising Big Game Tags

In addition to the big game hunting tags available to the public, the DFG makes a limited number of tags available for sale through fund-raising auctions

conducted by our partners in wildlife conservation. All proceeds go directly to the DFG's management programs for those species.

For dates and locations of the upcoming fund-raising tag auction banquets, contact Craig Stowers at (916) 445-3553 or via email at cstowers@dfg.ca.gov.

Fund-raising tags available for the 2007/2008 hunting season

5 Golden Opportunity Deer	Hunt statewide (any zone) from Jul. 14–Dec. 31, 2007 using any authorized methods of take.
5 Open Zone Deer	Hunt during the authorized season dates of any hunt or zone, using the specified method of take for that hunt or zone.
2 Grizzly Island Elk	Hunt at the Grizzly Island Wildlife Area (Solano County) from Aug. 4–Sept. 2, 2007.
1 Owens Valley Elk	Hunt from July 28–Aug. 5, 2007 in any open tule elk zone in the Owens Valley (Bishop, Lone Pine, Independence, and Tinemaha zones).
2 Pronghorn Antelope	Hunt from Jul. 28–Sept. 16, 2007 in any of the six pronghorn antelope public hunt zones in northeastern California.
2 Desert Bighorn Sheep	Hunt in zones 1, 2, 3 and 6 from Nov. 3, 2007–Feb. 3, 2008; hunt in Zone 5 from Nov. 17, 2007–Feb. 17, 2008; and Zone 7 from Aug. 4–Sept. 30, 2007.

*The next time you're touched
by the beauty of wildlife,
Thank a Hunter.*

Hunters fund the most successful wildlife conservation program in history.

More than a half-century ago, hunters responded to the alarming decline in wildlife populations by supporting a tax on the purchase of firearms ammunition and archery equipment. Congress approved the tax in 1937 through the passage of the Wildlife Restoration Act. The Wildlife Restoration Program has generated more than \$5.3 billion so far. The funds are given directly to states for wildlife management and research programs, habitat acquisition, and hunter education and training.

This message is paid for by hunters—the original wildlife conservations.

For more information on the Federal Aid in Wildlife Restoration Program, visit <http://federalasst.fws.gov/wr/fawr.html>

This map should serve only as a guide to the general locations of deer hunting zones and additional hunts. Larger scale, more detailed maps are available for viewing at license agents and Department of Fish and Game regional offices. It is your responsibility to become familiar with the exact boundaries of the deer hunting zone or hunt for which you are applying, or have received a tag. Detailed legal descriptions of deer hunting zones and hunt boundaries are also provided in Section 360 and 361 of the Mammals and Furbearers Hunting Regulations booklet.

Elk, Antelope & Bighorn Sheep

Application Restrictions

By law, you may only submit one application for each species. Any person submitting multiple applications for the same species will be rejected from the drawing and may be prosecuted.

Applying as a Party (Antelope and Elk)

Nonresidents cannot apply as a party for antelope and elk. Not more than one elk and not more than one antelope tag can be issued to a nonresident hunter annually. Residents can have up to two persons apply as a party. You cannot apply as a party for bighorn sheep.

To be considered as a party, applicants must apply together on the same application. If your party is drawn for the last available tag, the party leader will be awarded a tag and the party member will become the first alternate for that hunt. Parties drawn as alternates will be awarded unclaimed tags on an individual basis.

Filling Out Your Application

1. Remove application(s) from booklet.
2. Enter party information.
3. Enter Hunt Code (see pages 38-41).
4. Write each applicant's 2007/2008 California hunting license number on the appropriate space on each application submitted.
5. If you or your party member applied for last year's big game drawing, you may have received hunter identification labels in the mail. If so, **affix** the party leader's and the party member's (if applicable) hunter identification labels on the application. If not, **print** all required information, including your permanent hunter ID number (driver license or DMV identification number) and your date of birth.
6. Include your payment. If you are applying for more than one species you may submit all applications and **one** payment in the same envelope.
7. Mail your application to:
Department of Fish and Game
License and Revenue Branch
P.O. Box 349021
Sacramento CA 95834-9021
8. Make sure your application is **received** (not postmarked) by **5:00 p.m., June 4, 2007.**

Drawing Results

Beginning June 25, 2007, draw results will be available by phone during regular business hours from DFG license sales offices. On that date, applicants can also look up draw results by entering their last name and DFG ID number on the DFG's web site at: www.dfg.ca.gov/licensing/hunting/hunting.html

Notifying Applicants

Successful applicants and alternates should receive notices in the mail by July 2, 2007. Unsuccessful applicants will not be notified by mail.

Payment of Tag Fees

Successful applicants for antelope, elk or sheep tags must submit payment to the DFG's License and Revenue Branch, 1740 N. Market Blvd., Sacramento, CA 95834 by July 16, 2007. Applicants drawn as an alternate for elk, antelope or sheep will be required to submit payment of tag fees only if they are awarded a tag.

ELK

To apply for Roosevelt, Rocky Mountain and tule elk, applicants must be 12 years of age or older on or before July 1, 2007, and possess a 2007/2008 California hunting license. Only one nonresident can be drawn for an elk tag annually.

Junior Elk Hunts

Applicants must possess a 2007/2008 California junior hunting license. If drawn, junior hunters must be accompanied when hunting by an adult at least 18 years of age.

Elk Tag Fee: Resident - \$339.50
Nonresident - \$1,050.00 (Proposed minimum fee set by the Commission.)

ANTELOPE

Applicants must be at least 12 years of age or older on or before July 1, 2007 and possess a 2007/2008 California hunting license. Only one nonresident can be drawn for an antelope tag annually.

Junior Antelope Hunts

Applicants must possess a 2007/2008 California junior hunting license. If drawn, junior hunters must be accompanied when hunting by an adult at least 18 years of age.

Antelope Tag Fee: Resident - \$113.25
Nonresident - \$350.00 (Proposed minimum fee set by the Commission.)

**Big Game
Drawing Deadline:
June 4, 2007**

BIGHORN SHEEP

Applicants must be at least 16 years of age or older on or before July 1, 2007 and possess a 2007/2008 California hunting license and must not have received a California bighorn sheep tag in any prior year.

Both residents and nonresidents may apply but only one nonresident may be drawn.

Bighorn Sheep Tag Fee:

Resident - \$320.00

Nonresident - \$500.00

Please Check Your Application Carefully!

You may not make changes to your application once it is received by the DFG.

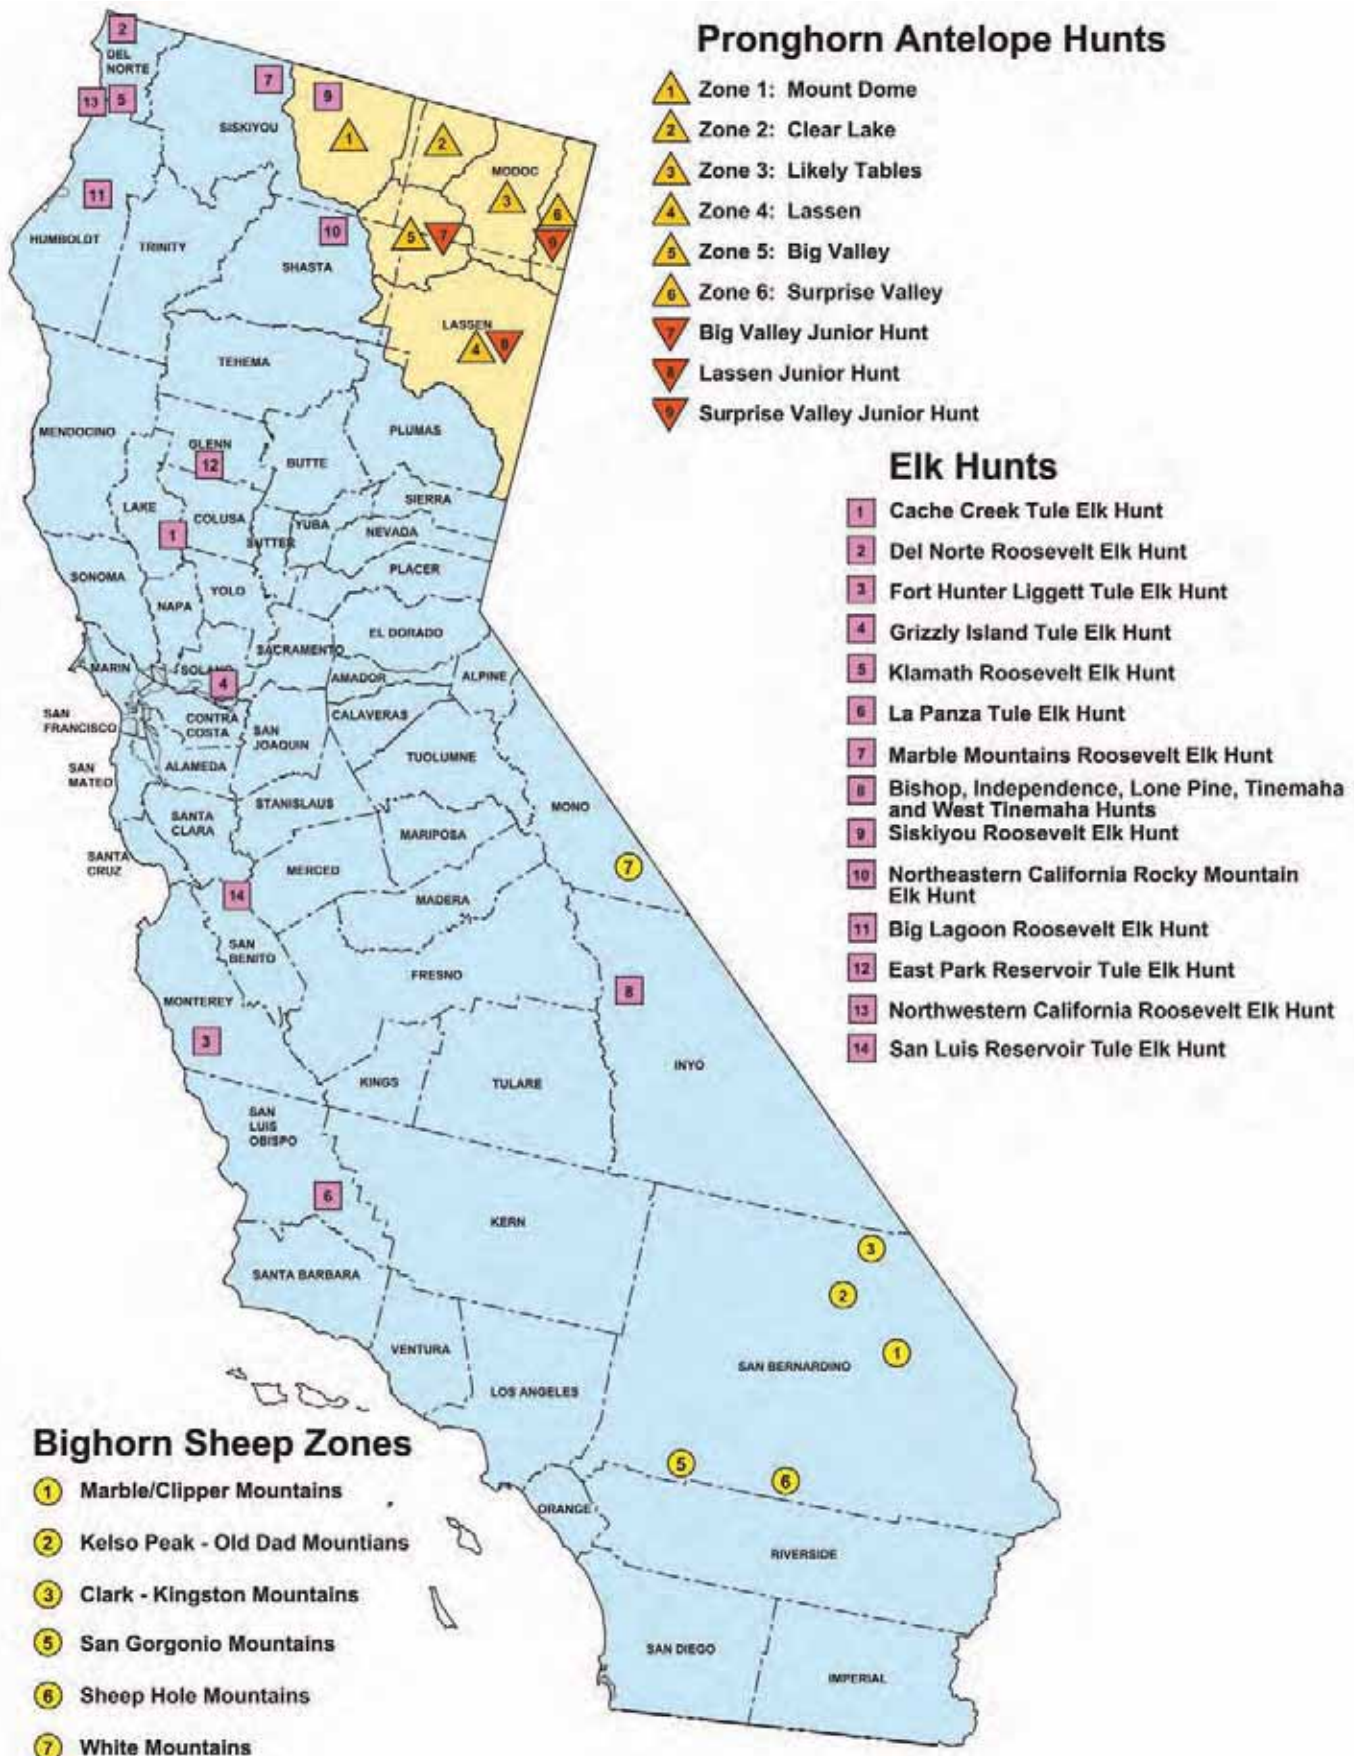

The information you provide on your application is used to track your preference points for current and future drawings. Incomplete, ineligible or late applications will prevent you from receiving a tag and earning a preference point for the 2007 season.

Applications must be **received** (not postmarked) by the DFG's License and Revenue Branch in Sacramento by 5:00 p.m., June 4, 2007.

Top Reasons Why Antelope, Elk, & Sheep Applications are Rejected From the Drawing

1. Applications received after the deadline.
2. No hunting license or invalid hunting license entered on applications.
3. No payment received/credit card declined.
4. Applicant is too young to apply.
5. Applicant submitted multiple applications for the same species.

* Information subject to final approval by the California Fish and Game Commission on April 25, 2007.

• Tag ranges used until population survey data is analyzed. For final tag quotas, please contact DFG after May 1, 2007.

Quota Splits for Elk, Pronghorn Antelope and Bighorn Sheep Tags

These quota splits are set by the Fish and Game Commission based on DFG proposals and public input. Please check the Commission's Web site at www.fgc.ca.gov for information on how to play a role in the regulation-setting process.

- For quotas of one (1), the tag shall be awarded using a Draw-By-Choice drawing.
- For quotas of two (2), one (1) tag shall be awarded using a Preference Point drawing, and one (1) tag shall be awarded using a Draw-By-Choice drawing.
- For quotas of three (3), two (2) tags shall be awarded using a Preference Point drawing, and one (1) tag shall be awarded using a Draw-By-Choice drawing.
- For quotas of four (4) or more, seventy-five percent (75%) of the quota shall be awarded using a Preference Point drawing. The remaining portion of the quota shall be awarded using a Draw-By-Choice drawing.

Wild Pig

Wild Pig Tags

Resident and nonresident hunters, 12 years of age and older, with a 2007/2008 California hunting license, may purchase wild pig hunting tags from designated license agents and some DFG offices. There is no limit on the number of wild pig tags one person may purchase, however, tags are nonrefundable and cannot be transferred from one person to another.

Wild Pig Hunting Season

Tags are valid throughout the 2007/2008 license year (Jul. 1, 2007 through Jun. 30, 2008). There is no bag or possession limit for wild pig.

East Park Reservoir Wild Pig Hunt, 2007

The DFG is permitted by the United States Bureau of Reclamation (USBR) to conduct a limited public entry, permit-only pig hunt to control a small population of wild pigs on a portion of East Park Reservoir in western Colusa County. The area consists of grassland, oak woodland, brush and some wetland areas.

Individual hunters may be accompanied by not more than one non-hunter. No more than three hunters will be allowed to hunt at any given time.

Only muzzleloading rifles as described in Section 353, Title 14 (CCR) may be used. (Scopes are allowed.) No dogs may be used. A pre-hunt orientation is required, and all hunters are required to check in and check out of the hunt area. DFG personnel will be onsite during the hunts.

Two-day pig hunt permits will be issued to hunters by drawing only for all pig hunt periods. Each hunter may apply only one time and for only one hunt period. No party applications will be accepted. Incomplete applications (cards) and multiple entries will not be accepted. There is no fee to apply.

Application Deadline: Application cards must be received by close of business, Wednesday, Aug. 29, 2007. Permits with maps and additional information will be mailed to successful applicants on Thursday, Aug. 30, 2007.

Application Instructions

Send a standard U. S. Postal Service postcard (available at local post offices), with the following information:

Hunter Name (Junior hunters must also provide name of adult chaperone)

Valid Hunting License #

Address

City, State, Zip

Telephone Number

Hunt Period and Date desired

Mail Application Card To:

East Park Reservoir Pig Hunt

Department of Fish and Game

1812 9th Street

Sacramento, CA 95814

DFG or USBR reserve the right to cancel this hunt and close the area to all public users without prior notification due to unforeseen circumstances or emergency situations!

Fall Hunt Dates

Period 5 – Oct. 1 & 2

Period 6 – Oct. 3 & 4

Period 7 – Oct. 8 & 9

Period 8 – Oct. 10 & 11

Period 9 – Oct. 15 & 16

Period 10 – Oct. 17 & 18

Period 11 – Oct. 22 & 23

Period 12 – Oct. 24 & 25

Bear Hunting

Application Requirements

To hunt bear in California, all residents and nonresidents must be age 12 or older and have **both** a valid hunting license and a bear tag.

Resident bear tag applications are sold at license agents and some DFG offices. Nonresident bear tag applications are available from DFG offices only. Tags are issued in person or by mail at DFG offices.

Bear Tag Refund Policy

You may request a refund for an unused bear tag application. The deadline for requesting a refund is Jan. 31, 2008. Please allow 12-16 weeks for processing your refund.

Bear Hunting Season

Archery bear season opens **Aug. 18, 2007** and runs through **Sept. 9, 2007**. The general season for black bears opens with the general deer hunting seasons in deer zones A, B, C, D, X8, X9A, X9B, X10 and X12, and extends through **Dec. 30, 2007**. In the remaining X zones, the season opens **Oct. 13, 2007** and extends through **Dec. 30, 2007**. When hunters report harvesting 1,700 bears, regulations require the DFG to close the season early.

Bag and Possession Limit

One adult bear per season. Cubs and female accompanied by cubs may not be taken. (Cubs are defined as bears less than one year of age or bears weighing less than 50 pounds.)

Regulations

Any bear hunter who utilizes the services of a guide must verify that the guide has valid guide's license and must write the guide's license number on the bear tag in the space provided.

Any bear hunter who utilizes dogs to take bear must so indicate on the bear tag in the space provided.

Only DFG employees may validate bear tags. Bear tags must be validated before the bear can be transported except for the purpose of taking it directly to the nearest person authorized to validate the tag.

Every licensed bear hunter who takes a bear must immediately return the validated report card portion of the bear tag. The tag may be presented to a DFG office/officer or returned via mail.

Every licensed bear hunter who is unsuccessful in taking bear must return the report card portion of the bear tag by February 1 of the current license year. The tag may be presented to a DFG office/officer or returned via mail.

Any person who takes a bear shall present the skull (even if damaged) to a DFG office/officer within 10 days of taking the bear. The skull shall become property of the DFG. That portion of the skull not needed for scientific purposes will be returned.

It is illegal to feed or bait bears for the purpose of hunting them. It is illegal to hunt bear over bait or within a 400 yard radius of a garbage dump or bait.

It is illegal to sell bear parts in California. However, you have the right to retain any and all parts of the bear you take, except the skull which becomes the property of the DFG.

The use of dogs is prohibited during the archery season for bear.

It is illegal to use more than one dog per licensed hunter for bear hunting in areas when the general deer season is open. After the close of the general deer season an unlimited number of dogs may be used.

You cannot pursue bears with dogs unless you have a valid, unused bear tag in your possession. However, a hunter who does not have a bear tag may be in the field with a hunter who does have a valid bear tag in possession. The hunter possessing the tag may use your dogs. If you do not have a valid, unused, bear tag you may not possess a firearm, archery gear, crossbow, or other weapon capable of killing or capturing a bear while accompanying a hunter in the act of taking a bear.

The use of dog retrieval collars equipped with functioning treeing switches is prohibited. Treeing switches change transmitted signals from the radio collar when a dog raises its head to a treed animal.

Duke Koslucher harvested this bear near Coloma, El Dorado County.

Brian Robinson of Illinois harvested this bear on his birthday!

2007 Bear Harvest

The 2006 black bear hunting season closed according to the regulations on Dec. 31, 2006. The recent regulation change that increased the tag quota from 1,500 to 1,700 bears harvested has made this the sixth time in 12 years that the season has run to its designated closure date rather than closing when the DFG has received its tag quota. A total of 24,104 bear tags were sold in 2006, including 23,818 resident and 288 non-resident tags. Non-resident tag sales decreased in 2006, comprising one-half of one percent of tag sales. A total of 1,735 black bears were reported taken this year. Overall hunter success was 7.9 percent, the same as 2005.

Once again, success rates for the different hunting methods varied only marginally in 2006 compared to previous years. Hunters with trailing hounds took 789 bears (45.5 percent), which is down approximately 7 percent from 2005 but still representing about half the take. Hunters took 651 bears (37.5 percent) while they were deer hunting, a 4 percent increase from last year. Archery hunters accounted for only 122 kills, about the same as last year, and the number of hunters using guides decreased slightly to 6.2 percent (108 kills).

Ninety-three percent of successful hunters and 1.5 percent of unsuccessful bear hunters indicated the number of days they spent hunting on their report cards. Successful hunters spent an average of four days and unsuccessful hunters spent an average of 8.5 days hunting bear. Successful hunters spent slightly more time hunting than last year. A total of 362 (20.9 percent) successful bear hunters said they had taken bears on private land, up three percent from last year.

Again in 2006 the general bear season and deer season overlapped in the A, B, C, D, and some of the X zones. Zones X1 through X7b opened on Oct. 14, 2006. During the general deer season hunters were limited to one dog per hunter. Regulation changes in 2002 continue to be the primary factor affecting tag sales, season closure, and changes in the proportions of bear take by hunting method.

Holly Wolcutt of Orland took this bear on the first day of her hunt.

Frequently Asked Questions...

Q. What is a Modified Preference Point System Drawing?

A. Under a Modified Preference Point System drawing, tag quotas for each hunt are split into two portions: one portion awarded by preference point drawings; the other portion awarded in draw-by-choice drawings. Quota splits vary, depending on the species, total number of available tags, or other special criteria (such as those for junior deer hunts).

Q. How do I earn preference points?

A. You may earn one preference point per year, per species, as follows:

Deer - Earn one preference point if you apply for the premium deer tag drawing but are not drawn for your first tag choice.

Elk, Pronghorn Antelope and Bighorn Sheep - Earn one preference point for each species if you apply for the drawing for that species but do not receive a tag.

Q. When do I lose preference points?

A. You lose all accumulated preference points for a species, as follows:

Deer - You lose all accumulated preference points when you are drawn for a premium tag as your first choice.

Elk, Pronghorn Antelope and Bighorn Sheep - You lose all accumulated preference points for a species if you receive a tag for that species.

You also lose all accumulated preference points for any species if you do not participate in the drawing for that species for five (5) consecutive years.

Q. Can I transfer my preference points from one species to another?

A. No. Preference points are earned for a particular species and cannot be transferred to any other species.

Q. How will the DFG track my preference points?

A. The DFG tracks preference points for current and future drawings using the information you provide on your drawing applications, including name, date of birth, and permanent hunter identification number (driver's license number, Department of Motor Vehicles identification number or hunter identification number assigned by the DFG).

For the DFG to accurately track your preference points, you must provide the same personal information and hunter identification number on your drawing applications each year. If you have changes or corrections to your name, mailing address, date of birth or hunter identification number, you must notify the DFG in writing at:
License and Revenue Branch
1740 N. Market Blvd.
Sacramento, CA 95834
email: point@dfg.ca.gov

Q. I'm a hunter without a DMV ID number. How do I get a DFG ID number?

A. Hunters are automatically assigned a DFG ID number by our drawing system. If you applied in last year's drawing, your DFG ID number is printed on your mailing labels.

Q. I do not wish to apply for a premium deer hunt this year. How can I earn a preference point?

A. You must first purchase a 2007/2008 California hunting license and First-Deer Tag Application. On your application, write the point code (PD) as your first tag choice and mail to the DFG's License and Revenue Branch. **Important!** Your application must be received by 5:00 p.m., June 4, 2007.

Q. If I am successful in the premium deer drawing for my second or third choice, do I earn a preference point?

A. Yes. If you are not drawn for your first choice premium tag, you earn one preference point, even if you are drawn for a premium tag as your second or third choice.

Q. I am unable to hunt this year. Can I still earn a preference point for elk, pronghorn antelope or bighorn sheep?

A. Yes, you must first purchase a 2007/2008 California hunting license. Complete the appropriate application for that species, write the "Point Only" code in the hunt choice box and mail your application(s) with the appropriate nonrefundable processing fees to the DFG's License and Revenue Branch. Your application(s) and fees must be received by 5:00 p.m., June 4, 2007.

Q. Do I earn a preference point if my application is received after the deadline?

A. No. Your application will be disqualified and no preference point will be earned if your application is late, incomplete, ineligible or received without proper processing fees.

Below: Stacie Richardson, Zone X5B.*

...About the Big Game Drawing

Q. If I apply and am unsuccessful in receiving my first tag choice and I request a refund of my tag fee, do I still earn a preference point?

A. Yes. You can receive a refund of your tag fee and still earn a preference point. Hunting license, application processing fees and license agent fees are non-refundable.

Q. If I am drawn for my first choice tag for a premium zone or hunt that does not fill in the drawing, do I still lose my preference points?

A. Yes. If you are drawn for your first choice premium tag, you lose all your points for deer, whether or not the tag quota fills for that zone or hunt.

Q. If I am successful in the premium deer tag drawing for my first choice and I am unable to hunt, can I return my tag and have my preference point reinstated?

A. No. Once you are drawn for your first choice in the premium deer tag drawing all of your deer preference points are lost and can not be reinstated.

Q. I was drawn for a buck antelope tag two years ago. Can I apply for a buck antelope tag this year?

A. Yes, there is no longer a 10-year waiting period for buck antelope tags.

Q. If I am drawn for an elk, pronghorn antelope or bighorn sheep tag, pay for the tag but I am unable to hunt, what happens to my preference points?

A. Once you purchase the tag, whether or not you use it, you lose all preference points for that species.

Q. If I am drawn for an elk, pronghorn antelope or bighorn sheep tag but do not purchase the tag, do I lose my preference points for that species?

A. No. If you do not purchase the tag, you will not lose your preference points for that species.

Q. I have been unsuccessful in the draw for the last 6 years. I only have 5 points. When did the DFG start tracking points?

A. The DFG started tracking points in 2002.

Q. I am applying in the deer drawing and have the maximum number of points (which is 5 as of 2007). If I apply as a

party with my hunting partner who does not have any points, are my chances of getting a tag less than if I applied alone?

A. Yes, the preference point value for party applications entered in the Big Game Drawing is determined by averaging all party members' points (total preference points of the party divided by the number of party members). Your party's preference point value will be 2.5 (5 total points divided by 2 party members). If you applied alone, your preference point value would be 5 (5 total points divided by 1 party member). If you apply as a party with a hunter with 0 points, your application will not be processed in the preference round of the drawing until all applications with greater than 2.5 points have been processed. For many hunts, there are more maximum point applicants than there are preference tags, so your odds of drawing a preference tag would be very low. However, there is always a chance your party could get drawn in the random portion of the drawing where success is determined strictly by your random number and the number of available tags.

Q. Can a member of my party be a junior hunter?

A. Yes, as long as they possess a valid junior hunting license and are at least 12 years of age as of July 1 of the license year for which they are applying, or at the time of application if they are applying after July 1.

Q. Can a member of my party be a non-resident?

A. Nonresidents may apply in a party for deer, but not for elk, antelope or bighorn sheep.

Q. Can one of our party members choose a different zone or hunt as their second or

third tag choice?

A. No. All party members' tag choices must be the same.

Q. The 2006 deer drawing statistics indicate that a hunter with one preference point was drawn for a X9A tag. I applied as a party and our point total was 1.67. Why didn't we receive a tag?

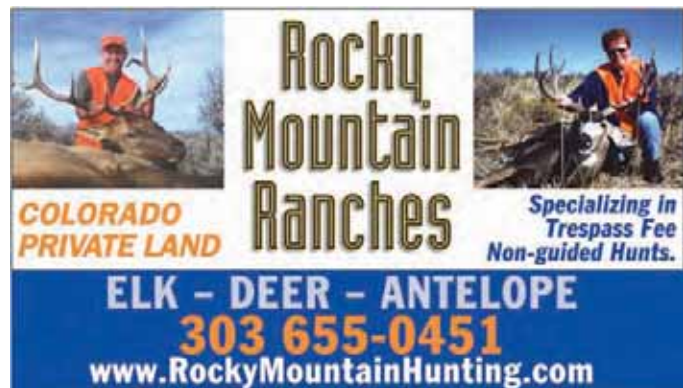

A. Party applications are not split when there are fewer tags available than the number of members in a party. Therefore, there may be party applications with a higher point value that did not receive a tag. For example, when the final X9A tag was awarded, there were several party applications with greater than 1 point. However, since there was only one available tag, these applications were bypassed.

Q. My application for a premium deer tag was received after the drawing deadline. I will not receive a preference point for this year. Will I lose my points from previous years because my application was not received on time?

A. No; however, a hunter's points are reduced to zero when they have not applied for five (5) consecutive years. Applying late is considered the same as not applying.

Q. How will the DFG notify applicants if they earned a preference point?

A. Individual preference point information will be included in big game drawing information packets mailed to drawing participants each April. If you have questions regarding your preference point totals you must contact the License and Revenue Branch, 1740 N. Market Blvd., Sacramento, CA 95834 in writing or visit our Web site at <https://biggame.dfg.ca.gov/bgpoints> after September of 2007 to view your most current Preference Point totals.

The advertisement for Rocky Mountain Ranches features two photographs of hunters with their trophies. The central text reads "Rocky Mountain Ranches" in a large, stylized font. Below this, it says "COLORADO PRIVATE LAND" and "Specializing in Trespass Fee Non-guided Hunts." At the bottom, it lists "ELK - DEER - ANTELOPE" and provides the phone number "303 655-0451" and the website "www.RockyMountainHunting.com".

Summary of Hunting Regulations & Laws

The laws and regulations on the following pages are summarized from the California Fish and Game Code (FGC), the California Penal Code (PC) and Title 14 of the California Code of Regulations (T14). The summaries are intended only as a guide and not a replacement for the complete laws and regulations. To access the entire California Fish and Game Code and Title 14 of the California Code of Regulations, visit the California Fish and Game Commission Web site at www.fgc.ca.gov. For the complete California Penal Code, go to www.leginfo.ca.gov.

General Terminology

Bag and Possession Limit

The daily bag limit of each kind of game mammal which may be taken and possessed by any one person. T14-1.17; and FGC 18.

Big Game

Deer (genus *Odocoileus*), elk (genus *Cervus*), pronghorn antelope (genus *Antilocapra*), wild pig (feral pigs, European wild pigs and their hybrids (genus *Sus*), black bear (genus *Ursus*) and Nelson bighorn sheep (subspecies *Ovis canadensis nelsoni*). T14-350.

Drawing Types:

Modified Preference Point Drawing System

A drawing system which utilizes both a Draw-By-Choice drawing and a Preference Point drawing for awarding hunting tags to drawing applicants. T-14 708(g).

Draw-by-choice Drawing

A drawing in which tags are awarded according to an applicant's hunt choice and computer-generated random number (lowest to highest), without consideration of accumulated points. T14-708(g).

Preference Point Drawing

A drawing in which tags are awarded based on the following order of priority: an applicant's hunt choice (first choice only for deer), accumulated point totals by species (highest to lowest), and computer-generated random number (lowest to highest). Applicants who are unsuccessful in receiving a tag for premium deer (based on first choice selection), bighorn sheep, elk or pronghorn antelope

hunts shall receive one preference point for use in future Big Game Drawings. T14-708(g).

Junior Hunting License

A reduced-fee license for hunters under age 16. FGC 3031.

License Year

A 12-month period beginning July 1 and ending June 30. FGC 3037.

Resident

Any person who has resided continuously in California for six months immediately before the date of application for a license, tag or permit; persons on active duty with the armed forces of the United States or an auxiliary branch; or Job Corps enrollees. FGC 70.

Season

That period of time during which game mammals may be taken. All dates are inclusive. T14-258.

Shooting Time

Legal California time for the date specified. For example: during the days when California is on Pacific Daylight Saving Time, Pacific Daylight Saving Time is intended; when California is legally on Pacific Standard Time, Pacific Standard Time is intended. When reference is made to sunrise or sunset time, such reference is to the sunrise or sunset time at the location of the hunter. T14-250.5.

Shooting Hours on Big Game

Hunting and shooting hours for big game, including but not limited to deer, antelope, elk, bear, and wild pig shall be from one-half hour before sunrise to one-half hour after sunset. T14-352.

Take

Hunt, pursue, catch, capture or kill or attempt to hunt, pursue, catch, capture or kill. FGC 86.

Big Game Definitions

Antlerless Deer

Female deer, fawns of either sex other than spotted fawns, and male deer with an unbranched antler on one or both sides which is not more than three inches in length. T14-351(b).

Either-sex Deer

Antlerless deer, or legal bucks that have two or more points in the upper two-thirds of either antler. T14-351(c).

Forked-horn Buck

A male deer having a branched antler on either side with the branch in the upper two-thirds of the antler. Eyeguards or other bony projections on the lower one-third of the antler shall not be considered as points or branches. T14-351(a).

Spike Buck Deer

A male deer with unbranched antlers on both sides which are more than 3 inches in length. FGC 204(d).

Antlerless Elk

Any elk, with the exception of spotted calves, lacking antlers which are exposed above the hair line. T14-364(m)(3).

Bull Elk

Any elk with at least one antler which is exposed and visible above the hair line. T14-364(m).

Either-Sex Elk

Bull elk or antlerless elk. T14-364(m)(4).

Spike Bull Elk

A bull elk having no more than one point on each antler. An antler point is a projection of the antler at least one inch long and longer than the width of its base. T14-364(m)(2).

Buck Pronghorn Antelope

Pronghorn antelope with horns longer than the ears. T14-363 (k)(2).

Doe Pronghorn Antelope

Pronghorn antelope with horns shorter than the ears. T14-363 (k)(2).

Either-Sex Pronghorn Antelope

Buck or doe pronghorn antelope. T14-363 (k)(2).

Hunt Types

Archery Seasons and Archery-Only Hunt

A season or hunt in which the only legal method of take is a bow and arrow. T14-354 and 361. You may not possess a firearm while hunting in the field during any archery season, Area-Specific Archery Hunt, or while hunting during the general season with an Archery-Only tag. T-14 354(h).

Junior Hunt

Hunts open only to hunters with a valid Junior Hunting License. In T14-360(c), 363, and 364; deer, pronghorn antelope and elk, respectively.

Summary of Hunting Regulations & Laws

Muzzleloading Rifle Only Hunt

A hunt in which only muzzleloading rifles equipped with open or “peep” type sights may be used. Scopes are not permitted. T14-353(f)

Premium Deer Hunt

Deer hunts, including X zones, Additional Hunts and Area-Specific Archery Hunts, which are issued through the Big Game Drawing. Typically these hunts are in high demand and have lower tag quotas. T14-708(a)(2)(A)1.

Method of Take Definitions for Big Game

Legal Methods of Take for Big Game

- Rifles using centerfire cartridges with softnose or expanding bullets, bow and arrow, or muzzleloading rifles may be used to take big game. T14-353(a).
- Shotguns capable of holding not more than three shells firing single slugs may be used for the taking of deer, bear and wild pigs. In areas where the discharge of rifles or shotguns with slugs is prohibited by county ordinance, shotguns capable of holding not more than three shells firing size 0 or 00 buckshot may be used for the taking of deer only. T14-353(b).
- Pistols and revolvers using centerfire cartridges with softnose or expanding bullets may be used to take deer, bear, and wild pigs. T14-353(c).
- Pistols and revolvers with minimum barrel lengths of 4 inches, using centerfire cartridges with softnose or expanding bullets may be used to take elk and bighorn sheep. T14-353(d).
- Crossbows may be used to take deer and wild pigs only during the regular seasons. T14-353(e).

Bow and Arrow Defined

A bow is any device consisting of a flexible material having a string connecting its two ends and used to propel an arrow held in a firing position by hand only. Bow includes long bow, recurve or compound bow. A legal arrow is a broad head type blade which will not pass through a hole seven-eighths inch in diameter. Mechanical/retractable broad heads shall be measured in the open position. No arrow with an explosive head or with any substance which would tranquilize or poison any animal may be used. T14-354.

Crossbow Defined and Restrictions

Any device consisting of a bow or cured latex band or other flexible material (commonly referred to as a linear bow) affixed to a stock, or any bow that utilizes any device attached directly or indirectly to the bow for the purpose of keeping a crossbow bolt, an arrow or the string in a firing position. A crossbow is not archery equipment and cannot be used during the archery deer season. Crossbow bolts with a broad head type blade which will not pass through a hole seven-eighths inch in diameter shall be used. No bolt with an explosive head or with any substance which would tranquilize or poison any animal may be used. T14-354.

Muzzleloading Rifle Defined

Rifle in which the charge and projectile are loaded from the muzzle. This includes wheellock, matchlock, flintlock or percussion type, including “in-line” muzzleloading rifles using black powder or equivalent black powder substitute, including pellets, with single ball or bullet loaded from the muzzle and at least .40 caliber in designation. T14-354(a).

Related Terms and Definitions

Bait Related to Bears

Any material capable of attracting a bear. T14-365(e).

Baited Area

Any area where shelled, shucked or unshucked corn, wheat or other grains, salt, or other feed whatsoever capable of

luring, attracting, or enticing such birds or mammals is directly or indirectly placed, exposed, deposited, distributed, or scattered, and such area shall remain a baited area for ten days following complete removal of all such corn, wheat or other grains, salt, or other feed. T14-257.5.

Harass Defined

An intentional act which disrupts an animal’s normal behavior patterns, which includes, but is not limited to, breeding, feeding or sheltering. T14-251.1.

Use of Dogs for Hunting Big Game Dog Training Defined

The education of dogs through “breaking” or “practicing” under strict provisions that preclude the injuring or take of animals. Training is distinguished from “pursuit”, in that the animal being chased shall not be killed, captured, or injured. T14-265.

Treeing Switch

Device on a dog collar consisting of a mercury switch mechanism that results in a change in the transmitted signals when the dog raises its head to a treed animal. T14-265(d)(1).

Global Positioning System Equipment

Devices that utilize satellite transmissions to determine location. Term referred to in T14-265(d)(2).

Public Road or Other Way Open

This includes any roads, dirt or otherwise, trails, open fields, parking lots, etc., open to public access. FGC 2006.

David DiBari Jr., Hunt G37.

Summary of Hunting Regulations & Laws

It is Illegal to:

- Take game mammals except as permitted by regulations. T14-250.
- Hunt big game without a valid hunting license and tag. FGC 1054.2.
- Hunt with a crossbow during archery season (except with a Disabled Archer Permit). T14-354(g).
- Possess a firearm while hunting during archery season or while hunting during the general season with an archery-only tag. T14-354(h).
- Take spike bucks. FGC 204(d).
- Pursue, drive, herd, or take any bird or mammal from any type of motor-driven air or land vehicles, motorboat, airboat, sailboat, or snowmobile, except when the motor is off and/or the sails furled and it is drifting, beached, moored, resting at anchor, or is being propelled by paddle, oar or pole. T14-251.
- Harass, herd or drive any game or nongame mammal or furbearing mammal. T14-251.1.
- Knowingly feed big game mammals. T14-251.3.
- Take mammals within 400 yards of any baited area. This does not apply to the taking of mammals on or over standing crops, croplands, or grains found scattered solely as the result of normal agricultural operations or procedures. T14-257.5.
- Take bears within 400 yards of any garbage dump or bait. T14-365(e).
- Take more than two deer per license year. T14-708(a)(1).
- Release an arrow or crossbow bolt from a bow or crossbow upon or across any highway, road or other way open to vehicular traffic. T14-354(e).
- Nock or fit the notch in the end of an arrow to a bowstring or crossbow string in a ready-to-fire position while in or on any vehicle. T14-354(i).
- Hunt with bow or crossbow that will not cast a legal hunting arrow, except flu-flu arrows, a horizontal distance of 130 yards. T14-354(f).
- Hunt big game from one-half hour after sunset to one-half hour before sunrise. T14-352.
- Use dogs for pursuit/take, or for dog training, during the archery seasons for deer or bear. T14-265(a)(1).
- Use dogs to take elk, bighorn sheep and antelope. T14-265(a)(2).
- Use dogs for pursuit/take of, or for dog training on, mountain lions (except under authority of a depredation permit). T14-265(a)(3).
- Use an artificial light to assist in taking any game bird or game mammal. FGC 2005.
- To deposit, permit to pass into, or place where it can pass into the waters of the state, or to abandon, dispose of, or throw away, within 150 feet of the high water mark of the waters of the state, any cans, bottles, garbage, rubbish, or the viscera or carcass of any dead mammal, or the carcass of any dead bird. FGC 5652.
- Fail to send a complete written report to the Department within 48 hours after killing or wounding while hunting, any human being, or domestic animal belonging to another, or after witnessing such killing or wounding. FGC 12151.5.
- Use a shotgun larger than 10 gauge for the taking of any game bird or game mammal, a shotgun capable of holding more than three shells in the magazine and chamber combined. FGC 2010; T14-311 and 353(b).
- Possess a machine gun, silencer, shotgun with barrel less than 18 inches in length, or rifle with barrel less than 16 inches in length. PC 12020.
- Hunt in any National Park or Monument, in State of California Beaches and Parks or Monument areas, or in any State Game Refuge, or to shoot

into such an area any weapon capable of taking any bird.

- Possess in any State Game Refuge any bird or mammal or part thereof, or any weapon capable of taking any bird. FGC 10500. However, possession of firearms or bows and arrows by persons traveling through game refuges on a public highway or other public thoroughfare or right of way is permitted when the firearms are taken apart or encased and unloaded, and the bows are unstrung. FGC 10506. (National Parks and Monuments have special regulations regarding the possession of weapons, game and the running of hunting dogs. Check with federal officials before entering these areas.)
- Hunt any game bird or mammal without having the required licenses, tags and/or stamps in possession; FGC 1054.2. Change, mutilate, or transfer any license, tag, or stamp; Have in possession while hunting any license belonging to another person. FGC 1052.
- Damage other's property while hunting. FGC 2004.
- Sell or barter game taken under authority of a hunting license. FGC 3039.

Dog Control Zones

The use of dogs for pursuit, take, or for dog training is restricted in Dog Control Zones, as shown on the map on page 51. (For physical boundary descriptions of all Dog Control Zones, visit the Fish and Game Commission Web site at www.fgc.ca.gov.) T14-265.

The use of dogs for the pursuit/take of mammals or for dog training is prohibited in Dog Control Zones from the first Saturday in April through the day preceding the opening of the general deer season. T14-265(a)(4).

Summary of Hunting Regulations & Laws

Any person legally killing a deer in this state must have the deer license tag validated and countersigned by an authorized person (see list on page 52). T14-708(a)(4).

Any person taking any deer in this state must retain in their possession during the open season, and for 15 days thereafter, that portion of the head which in adult males normally bears the antlers, and shall produce it upon the demand of any officer authorized to enforce Fish and Game regulations. T14-708(a)(5).

Every person to whom a deer tag is issued must return the completed report card portion to the DFG within 30 days of taking a deer. T14-708(a)(6).

Any person who is convicted of a violation involving deer shall forfeit their current year deer license tags and no new deer license tags may be issued to that person during that hunting license year. That person may not apply for a deer tag for the following license year. T14-708(a)(7).

Safety Issues

It is always unlawful to: Place on, or carry or possess a loaded rifle or shotgun in a vehicle or conveyance or its attachments on any public road or other way open to the public; FGC 2006. Hunt while intoxicated; FGC 3001. Shoot at any game bird from a powerboat, sailboat, motor vehicle, or aircraft while under power or still moving from use of sail or motor; T14 251(a). Shoot any firearm from or upon a public road or highway; PC374(c).

It is unlawful to possess a loaded rifle or shotgun in any vehicle or conveyance or its attachments which is standing on or along or is being driven on or along any public highway or other way open to the public.

Persons Authorized to Validate or Countersign Deer and Elk Tags (T14-708)*

State:

1. Fish and Game Commissioners
2. Employees of the Department of Fish and Game
3. Deputy Foresters
4. Assistant Deputy Foresters
5. Forest Rangers
6. Park Rangers—Grades 1, 2, 3, and 4
7. Supervising Plant Quarantine Inspectors
8. Junior, Intermediate and Senior Plant Quarantine Inspectors
9. Foresters
10. Fire Prevention Officers—Grades 1, 2, 3, and 4
11. Fire Captains
12. Fire Apparatus Engineers

Federal: (FS = U.S. Forest Service, FWS = U.S. Fish & Wildlife Service, BLM = Bureau of Land Management)

1. Range Technicians (BLM)
2. Forest Supervisors (FS)
3. Assistant Forest Supervisors (FS)
4. District Forest Rangers (FS)
5. Foresters (FS, BLM)
6. Range Conservationists (FS, BLM)
7. Forest Engineers (FS, BLM)
8. Forestry Aides (FS)
9. Fire Control Officers or Aides (FS, BLM)
10. Clerks (FS, FWS, BLM) while on duty at their headquarters
11. Game Management Agents (FWS)
12. Wildlife Management Biologists (FS, FWS, BLM)
13. District Managers (BLM)
14. Information Specialists (BLM)
15. Area Managers (BLM)
16. Realty Specialists (BLM)
17. Natural Resource Specialists (BLM)
18. Engineers (BLM)
19. Engineering Technicians (BLM)
20. Recreation Resource Specialists (BLM)
21. Geologists (BLM)
22. Recreation Aides (BLM)
23. All Uniformed Personnel of the National Park Service
24. Commanding officers of any United States military installation or their designated personnel for deer taken on their reservation.
25. Postmasters
26. Post Office Station or Branch Manager for deer brought to their post office.

Miscellaneous:

1. County firemen at and above the class of foreman for deer brought into their station.
2. Judges or Justices of all state and United States courts.
3. Notaries Public
4. Peace Officers
5. Nonsalaried police officers or deputy sheriffs while on scheduled duty in a city or county of appointment for deer brought to a police station or sheriff's office
6. Officers authorized to administer oaths
7. Owners, corporate officers, managers or operators of lockers or cold storage plants for deer brought to their place of business.

*No person may validate or countersign their own tag.

Summary of Hunting Regulations & Laws

A rifle or shotgun shall be deemed to be loaded for the purposes of this section when there is an unexpended cartridge or shell in the firing chamber but not when the only cartridges or shells are in the magazine. The provisions of this section shall not apply to peace officers or members of the armed forces of this state or the United States, while on duty or going to or returning from duty. FGC 2006.

Except as provided in subdivision (b), (c) or (d), every person who carries a loaded firearm on his or her person or in a vehicle while in any public place or on any public street in an incorporated city or in any public place or on any public street in a prohibited area of unincorporated territory is guilty of a misdemeanor. A firearm shall be deemed to be

loaded for the purposes of this section when there is an unexpended cartridge or shell, consisting of a case which holds a charge of powder and a bullet or shot, in, or attached in any manner to, the firearm, including, but not limited to, in the firing chamber, magazine, or clip thereof attached to the firearm; except that a muzzle-loader firearm shall be deemed to be loaded when it is capped or primed and has a powder charge and ball or shot in the barrel or cylinder. PC 12031.

It is unlawful for any person, other than the owner, person in possession of the premises, or a person having the express permission of the owner or person in possession of the premises, to hunt or to discharge while hunting, any firearm or other deadly

weapon within 150 yards of any occupied dwelling house, residence, or other building or any barn or other outbuilding used in connection therewith. The 150-yard area is a "safety zone." FGC 3004.

Trespassing Issues

If the land you hunt on is not your own, it belongs to someone else. Make sure you have a legal right to be there. Contact the owner or person who administers the property, and secure written permission to hunt. A hunting license does not entitle you to enter private property.

"It is unlawful to enter any lands under cultivation or enclosed by a fence, belonging to, or occupied by, another, or to enter any uncultivated or unenclosed lands, including lands

Summary of Hunting Regulations & Laws

temporarily inundated by waters flowing outside the established banks of a river, stream, slough, or other waterway, where signs forbidding trespass are displayed at intervals not less than three to the mile along all exterior boundaries and at all roads and trails entering such lands, for the purpose of discharging any firearm or taking or destroying any mammal or bird, including any waterfowl, on such lands without having first obtained written permission from the owner of such lands, or his agent, or the person in lawful possession thereof. Such signs may be of any size and wording, other than the wording required for signs under Section 2017, which will fairly advise persons about to enter the land that the use of such land is so restricted.” FGC 2016.

Harassment of Hunters

The Fish and Game Code outlaws “hunter harassment” or interfering with another person who is lawfully hunting, trapping, shooting, fishing or engaging in falconry. The first offense is an infraction; the second offense within a two-year period is a misdemeanor. Interference means any action which physically impedes, hinders, or obstructs the lawful pursuit of any of the above-mentioned activities, including, but not limited to, actions taken for the purpose of frightening away animals from the location where the lawful activity is taking place. FGC 2009.

Lacey Act

Transporting illegally taken game across state lines is a violation of the federal Lacey Act (T16, US Code 1406). Such transport, if done in connection with commercial activity, may be classified as a felony.

Protect California's Deer & Elk from CWD

Don't risk a ticket!

If you hunt deer or elk out-of-state, you may only bring into California:

- boned-out or commercially processed meat -
- meat with no part of the spinal column or head attached -
- clean skull plates - antlers with no meat or tissue attached -
- finished taxidermy heads - upper canine teeth

Not Wanted

Quagga Mussel Outlaws

Call
1-866-440-9530
For
Information

How Do These Outlaws 'Ride' Here?

On infested recreational boats and commercial boat haulers from infested waters like Lake Mead, Nevada; Lake Mohave, Nevada; Lake Havasu, California; and other waters along the Colorado River drainage.

How Can We Arrest The Spread?

When Leaving the Water:

Inspect all exposed surfaces -- Quagga mussels will feel like sandpaper to the touch.

Thoroughly wash the hull of each watercraft once it is out of the water, removing all plants and animal material.

Drain any water through the vessel's hull plug, and ensure the area is dry.

Ensure vessel's lower outboard unit is drained and dry.

Clean and dry any live-well aboard the vessel.

Empty and dry any buckets.

Any vessel traveling from one freshwater water body to another should remain dry and out of water for five days.

Dispose of all bait in the trash.

**STOP AQUATIC
HITCHHIKERS!**

Preventing transport of nonnative species.
Check all recreational equipment.

Hunting in California

Plan Your Hunt - Map Availability

To aid in planning your hunt, the DFG's Wildlife Management Program has developed a Big Game Hunting Web site at <http://www.dfg.ca.gov/hunting/biggame.html>. This Web site contains general and specific information related to hunting big game species including: zone/hunt information and general maps, harvest summaries, tag quota and season information, outside agency contacts, regulation summaries, DFG publications, and more. Just follow the species links you're interested in to the information.

For legal descriptions of zone/hunts, boundaries, seasons, bag and possession limits and special conditions, see sections 360 and 361 (deer); 362 (bighorn sheep); 363 (pronghorn antelope); 364 (elk); 365 and 366 (bear); and 368 (wild pig) in the *2006 California Hunting Regulations for Mammals and Furbearers Booklet*, available in late May and at the following Web site: <http://www.fgc.ca.gov/html/regs.html>

More detailed maps are available free of charge or at a nominal fee from the following:

- 1) U.S. Forest Service maps provide detailed information about each national forest in the state. For information and prices contact: U.S. Forest Service, 1323 Club Drive, Vallejo, CA 94592; or call (707) 562-8737.
- 2) Bureau of Land Management (BLM) maps show state, federal or private land.
For information and prices contact: Bureau of Land Management, Federal Office Building, 2800 Cottage Way, Sacramento, CA 95825; or call (916) 978-4400.
- 3) Topographic maps are available from U.S. Geological Survey. For information and prices contact: U.S. Geological Survey Distribution Center, Denver Federal Center, Building 810, Box 25286, Denver, CO 80225; or call (303) 202-4700.

California Deer Hunters Invest in Wildlife

The DFG's Deer Program activities are 100% funded by deer hunters' money. Of every public deer tag sold in California, 54% of the sales price is "reinvested" in the deer resource—about \$2 million annually. Without adequate funding and resources it would be difficult, if not impossible, to sustain California's deer hunting heritage. And, of course, management activities that benefit deer also benefit a host of other wildlife species.

The following activities are funded by deer tag dollars:

- **Population Monitoring:** helicopter and spotlight surveys; capture and radio-collaring of deer; computer population modeling and harvest database management.
- **Habitat Monitoring and Improvement:** control burns and crushing/chaining decadent brush-fields; re-seeding for fire rehabilitation; improvements to / creation of, water sources; wildlife captures to identify migration routes, fawning areas, and summer/winter ranges.
- **Disease Monitoring:** includes testing for Chronic Wasting Disease and other deer diseases.

- **Hunting Regulations:** the Environmental Document for Deer Hunting is the foundation for California's deer hunting program and requires extensive updating to support the DFG's annual deer hunting proposals and regulations.
- **Hunter/Public Outreach:** coordinating with various interest groups; maintaining deer information on the DFG Web site; producing this booklet and other deer publications; responding to phone calls and e-mails from the public.
